Native American psychologist Ben Pecos has returned to the New Mexico pueblo of his birth as an intern with the Indian Health Service. Still struggling with the demons of his past, he is plunged into the nightmare rampage of a mysterious illness that is killing the residents of the pueblo, including his own grandmother. One of the victims, the powerful tribal governor, had made powerful enemies, and Ben suspects his murder was premeditated—but that doesn't explain the insidious killer now stalking the innocent. Undaunted, Ben digs deep into the motives of power and greed to root out a killer whose deadly agenda is spiraling out of control. Newly edited e-book edition Praise for *The Pumpkin Seed Massacre*: "... a gripping novel." -Tony Hillerman "This is a wonderful book with loveable heroes." -Library Journal "... Ben Pecos is a star in the detective firmament. I predict a big future for Susan Slater." - Barbara D'Amato "Slater's first novel holds the reader's interest with its brisk pace, well-rendered New Mexico landscape and challenging plot ... [T]his promising first novel heralds a series to watch." -Booklist

Each year Americans start one million new businesses, nearly 80 percent of which fail within the first five years. Under such pressure to stay alive—let alone grow—it's easy for entrepreneurs to get caught up in a never-ending cycle of "sell it—do it, sell it—do it" that leaves them exhausted, frustrated, and unable to get ahead no matter how hard they try. This is the exact situation Mike Michalowicz found himself in when he was trying to grow his first company. Although it was making steady money, there was never very much left over and he was chasing customers left and right, putting in twenty-eight-hour days, eight days a week. The punishing grind never let up. His company was alive but stunted, and he was barely breathing. That's when he discovered an unlikely source of inspiration—pumpkin farmers. After reading an article about a local farmer who had dedicated his life to growing giant pumpkins, Michalowicz realized the same process could apply to growing a business. He tested the Pumpkin Plan on his own company and transformed it into a remarkable, multimillion-dollar industry leader. First he did it for himself. Then for others. And now you. So what is the Pumpkin Plan? Plant the right seeds: Don't waste time doing a bunch of different things just to please your customers. Instead, identify the thing you do better than anyone else and focus all of your attention, money, and time on figuring out how to grow your company doing it. Weed out the losers: In a pumpkin patch small, rotten

pumpkins stunt the growth of the robust, healthy ones. The same is true of customers. Figure out which customers add the most value and provide the best opportunities for sustained growth. Then ditch the worst of the worst. Nurture the winners: Once you figure out who your best customers are, blow their minds with care. Discover their unfulfilled needs, innovate to make their wishes come true, and overdeliver on every single promise. Full of stories of other successful entrepreneurs, *The Pumpkin Plan* guides you through unconventional strategies to help you build a truly profitable blue-ribbon company that is the best in its field. The *Pumpkin Falls Private Eyes* face a pumpkin snatcher and a haunted farm in the fourth and final cozy mystery of the Edgar Award-nominated middle grade series from the author of the beloved *Mother-Daughter Book Club* books. It's autumn in New England and Truly and her fellow *Pumpkin Falls Private Eyes* are gearing up for the annual Halloween Festival. Aunt True and her new husband, Rusty, have bought Ethel and Elmer Farnsworth's dilapidated old farm on the edge of town, where they're going to raise sheep and where Truly and her grandparents have volunteered to farm- and sheep-sit while the newlyweds are on their honeymoon. But as always, there are mysteries and secrets afoot in Pumpkin Falls. Jack-o'-lanterns outside the shops downtown are going missing—in broad daylight! Plus, someone...or something...is trying to scare Truly's aunt and uncle away from their new property with some seriously spooky hauntings. With the arrival of Emilio, a new heartthrob student from Italy, and with Calhoun most definitely still in the picture, Truly has her hands full and will need all of her *Private Eyes* to help her solve the small town shenanigans this fall season. A collection of thirteen dark fantasy stories by Tom Cardamone. "A book about young men transformed by war, written by a veteran whose dazzling literary gifts gripped my attention from the first page to the last." —The Wall Street Journal "Friedman's sober and striking new memoir . . .

[is] on a par with Tim O'Brien's *The Things They Carried* -- its Israeli analog." —The New York Times Book Review It was just one small hilltop in a small, unnamed war in the late 1990s, but it would send out ripples that are still felt worldwide today. The hill, in Lebanon, was called the Pumpkin; flowers was the military code word for "casualties." Award-winning writer Matti Friedman re-creates the harrowing experience of a band of young Israeli soldiers charged with holding this remote outpost, a task that would change them forever, wound the country in ways large and small, and foreshadow the unwinnable conflicts the United States would soon confront in Afghanistan, Iraq, and elsewhere. *Pumpkinflowers* is a reckoning by one of those young soldiers now grown into a remarkable writer. Part memoir, part reportage, part history, Friedman's powerful narrative captures the birth of today's chaotic Middle East and the rise of a twenty-first-century type of war in which there is never a clear victor and media images can be as important as the battle itself. Raw and beautifully rendered, *Pumpkinflowers* will take its place among classic war narratives by George Orwell, Philip Caputo, and Tim O'Brien. It is an unflinching look at the way we conduct war today. The *Pumpkin Falls Private Eyes* grapple with pirates and mermaids in the third cozy mystery of the Edgar Award-nominated middle grade series from the author of the beloved *Mother-Daughter Book Club* books. Truly Lovejoy is excited for the perfect summer in Pumpkin Falls, New Hampshire: swim practice outside, working at the bookstore, one-on-one time with her mom, and best of all, time with the dreamy RJ Calhoun who may just like Truly back. But the idyllic falls apart when she's sent off to mermaid academy—sparkly tail and all. Luckily, a mystery is never too far behind the *Pumpkin Falls Private Eyes*, and synchronized swimming turns into a hunt for a sunken ship and an investigation of the founding of Pumpkin Falls...which may have involved more pirates than originally thought. And as the *Pumpkin Falls Private Eyes* get closer to the heart of the mystery and Truly gets closer to her mermaid debut, she may just learn to come out of her shell. It's the summer holidays and Flora has gone off with Dad to the exotic set of his new film and Mum is at home having a much-needed rest with baby Pumpkin. Bluebell, Twig and Jas have been sent to stay with Grandma at Horsehill in the countryside. With Grandma keen that the children get as much fresh air as possible, they are sent off on bikes to go wild swimming and befriend the boys next door. With so much freedom, they can't help but get into trouble, and Grandma doesn't seem to be as capable as looking after them as she should be... The *Adventures of Pumpkin and Cookie* will take you on a journey with these amazing, real-life animals! *Cookie Doesn't Want to Be a Goat* walks kids through Cookie's struggle with being who she is ... a goat. So, she decides she wants to be someone else. Maybe a frog, a bunny, a butterfly, a horse or a puppy? In *Cookie's* quest to become someone other than a goat, Pumpkin helps her realize that she should be herself. Pumpkin tells her she is unique and nobody else in the world is just like her. So, she needs to be the best goat she can be! *Pumpkin and Cookie's* book captures their beauty, incredible personalities and intelligence with a fun message for children of all ages! PROCEEDS: *Pumpkin and Cookie* are on a mission to help organizations that help others! They believe animals deserve a loving and safe home like they have. Proceeds go to non-profit animal advocacy and rescue organizations and the Invisible Disabilities Association, as well as the feed and care of *Pumpkin and Cookie*. *Patience Goodspeed* is stuck in a boarding school in 19th century Hawaii. She would much rather be on her father's ship. Beyond the shadows of any known forest grows the *Goblin Oak*, an enormous tree lit by hundreds of glowing jack-o'-lanterns. All the spirits and strangeness of Halloween come from the *Goblin Oak*, but a mysterious magic threatens to destroy it. Meanwhile, Amber's stuck at home having the worst Halloween ever, until she meets a trio of professional, pumpkin-snatching goblins. Facing a Halloween night of handing out candy, Amber joins them as they use tricks, cobbled-together gadgets, and teleporting pumpkin cars to snatch more pumpkins and strengthen the *Goblin Oak*. But the *Goblin Oak* grows beyond the reach of any map or compass, and is protected by the brambledark: a shifting mass of shadow vines that makes people lost in the woods, or makes them forget their way entirely. To find the *Goblin Oak* and to save Halloween, Amber must abandon the familiar and become truly lost. When someone tries to sabotage the maple trees on her friend Franklin's family farm, Truly Lovejoy rallies the *Pumpkin Falls Private Eyes* to investigate. Meet Christopher Pumpkin - the

Acclaimed author Heather Vogel Frederick will delight daughters of all ages in a novel about the fabulousness of fiction, family, and friendship. The book club is about to get a makeover.... Even if Megan would rather be at the mall, Cassidy is late for hockey practice, Emma's already read every book in existence, and Jess is missing her mother too much to care, the new book club is scheduled to meet every month. But what begins as a mom-imposed ritual of reading *Little Women* soon helps four unlikely friends navigate the drama of middle school.
