It's because they don't understand each other. What is the cure? The cure is better education, starting all the way back to when men and women are boys and girls. So why don't we Americans have that kind of education? Unfortunately, it's because we Americans just aren't very good at that sort of thing. You know, our Puritan historical and cultural heritage, all that. But, is it ever too late, even for grown up men and women? If only there were some sort of instruction manual! Well, guess what? Now, there is! This is a reproduction of the original artefact. Generally these books are created from careful scans of the original. No matter what language you speak you can own and operate a Rent-A-Maid business. The boundaries of how large or how many areas in which you operate are only in your dreams. WHAT YOU THINK YOU BECOME! Always think positive thoughts; your thoughts control you right down to your next step. Never give up. Take a vacation yes, but remember you need to get back up some day. The sooner the better: get started and get back to work. It may sound like I am writing this to myself, and I am. I closed my Rent-A-Maid office in Oklahoma City in the fall of 1997. I enjoyed running Rent-A-Maid; it was fun, exciting, challenging and sometimes it was a heartbreaking job, but it was easy. So, ten years later, I'm starting again. I'm a strong believer in God, the Holy Spirit and Jesus. I believe that those who believe in him succeed in ways that the secular world would not believe. If you are a believer, that was the biggest step that you have ever made. No one is perfect, but we can strive in that direction. Your next big step is to make up your mind that you're going to do this. As Napoleon Hill

once said, "Do it now". Please understand my friend, that where you find yourself tomorrow is a function of the positive decisions and actions you take today. Opportunities are like sunrises - if you wait too long, you miss them. Progress always involves risks. You can't steal second base and keep your foot on first. To solve any problem, here are three questions to keep in mind. First, what could I do? Second, what could I READ? And third, who could I ask? Don't wish it were easier, wish you were better. Take advantage of every opportunity. The wonderful thing about the game of life is that winning and losing are only temporary...unless you quit. Only through experience of trial and suffering can the soul be strengthened, vision cleared, ambition inspired, and success achieved. TABLE OF CONTENTS 1. This book is written in faith 2. Excerpt from The Maid-of-All-Work's Complete Guide: Being Plain and Accurate Instructions for Properly Arranging and Correctly Performing the Duties of a Maid-of-All-Work, in Good Families; Including the Most Exact Directions for Every Thing in the Art of Plain Cookery, That Her Situation Can Require The situation of Maid-of-all-work in a tradesman's family is often a very respectable one, and in some respect prefer able to service in high families, or in houses where several. focused on the day-to-day production and consumption of popular media. Taking the rural maid in the urban home as its point of departure, the book weaves together three years of engaged ethnographic research in Beijing and Shanghai with critical analyses of a diverse array of popular media, and follows three lines of inquiry: media and cultural production, consumption practices, and everyday politics. It unravels some of the myriad ways in which the subaltern figure of the domestic worker comes to be inscribed with the cultural politics of boundaries that entrench a host of inequalities—between rich and poor, male and female, rural and urban. Wanning Sun explores a number of paradoxes that the domestic worker lives out on a daily basis: her ubiquitous invisibility, her enduring transience, and her status as an intimate stranger. Collectively, these paradoxes afford her a unique window onto the spaces and practices of the modern Chinese city. This intimate stranger's epistemological status makes her an unauthorized yet authoritative witness of urban residents' social lives, offering a revealing lens through which to examine both the formation of new social relations in post-reform urban China, and the new social uses of space—both domestic and public—engendered by these relations. Future and current independent private music educators will find this book an invaluable resource for establishing and maintaining a private music studio. Private music instructors will learn what they should expect professionally, personally, and financially from their independent music instruction business. This book presents all aspects of private music instruction through an easy-to-read, concise, and engaging instructional format. Following the sound advice presented will help to greatly alleviate the problems that all beginning independent instructors face by specifically mapping out chronological steps for establishing and maintaining a private instruction music business. The field of private music education has been inundated by less-than-professional individuals who have made it difficult for legitimate, qualified instructors. The Private Music Instruction Manual shares years of information and experiences in the hope of legitimizing the field of private music instruction. In a world where there is decreasing priority and structure in public music education, private music instructors become increasingly important to prepare the next generation of musicians. No matter the size of your private music instruction business, the advice presented in The Private Music Instruction Manual will help to improve any private music business. From the Midwest Book Review: With The Private Music Instruction Manual; A Guide For The Independent Music Educator, author Rebecca Osborn draws upon her many years of experience and expertise as an adjunct college music professor and owner of three private music studios to write an informed and informative guidebook specifically for musicians and music instructors who want to teach students in a profitable private practice but are not familiar with or knowledgeable about setting up a music instruction business enterprise. Rebecca Osborne provides a wealth of invaluable, professional, effectively organized and presented instructions on establishing and maintaining a music teaching business and shows what to expect professionally, personally, and financially from independent music instruction. If you want to make money teaching other how to play any kind of music instrument, then you need to give a careful (and profitable!) reading to Rebecca Osborn's The Private Music Instruction Manual! Miss Carey laughed at her, and stepped with her beautiful boots on board of me; and from that moment she might do exactly as she pleased with me. However my ferry was knocked on the head; and all the hopes of a wife and family, and even a public-house and skittles, which I had long been building up, as well as to train our Bunny for barmaid; which must always be done quite young, to get the proper style of it, and thorough acquaintance with measures, how to make them look quite brim up when they are only three-parts full. All golden dreams will vanish thus; no life of smiling Boniface, but of gun-muzzles was before me; no casting-up of shot by pence, but ramming down on pounds of powder. Let that pass; my only wish is to conceal, in the strictest manner, little trifles about myself. Isabel Carey was so shocked at hearing of our danger (as by me distinctly told without a word of flourish), that she made me promise strongly to give

up my ferrying. This I was becoming ready, more and more every day, to do; especially as nobody ever now came down for portorage. But I told the lady how hard it was to have formed such a valuable trade, or you might say an institution; and then to lose it all, because of certain private enmities. What she said or did hereon is strictly a family question, and can in no way concern the public, since I hauled my flag down. And now I gained more insight into my great enemy's schemes and doings, than I could have acquired while engaged so much at ferry. For time allowed me to maintain that strict watch upon Narnton Court, which was now become my duty, as well as an especial pleasure, for the following reason. I began to see most clearly that the foul outrage upon my boat must have been per... The play presents multiple plots centered on the marriage of Moll Yellowhammer, the titular maid, who is daughter to a wealthy Cheapside goldsmith, and, in particular, her intended husband, Sir Walter Whorehound. Moll loves Touchwood Junior, a poor gallant; her father, however, has betrothed her to Whorehound, a philandering knight eager for Moll's dowry. As a kind of side-bargain, Sir Walter has promised Moll's brother Tim a "landed niece" from Wales. Tim, a fatuous scholar, returns to London from Cambridge University with his Latin tutor. This "landed niece" is in reality one of Sir Walter's mistresses, who has no land in actuality. Sir Walter is also having an affair with the wife of Allwit, a knowing cuckold, his name an inversion of "wittol," who lives happily on the money Sir Walter gives his wife. Meanwhile, Touchwood Senior (the elder brother of Moll's true love) prepares to depart from his wife; prodigiously fertile, he impregnates any woman he sleeps with. He and his wife must separate to avoid another pregnancy, which they cannot afford. His salvation comes from the Kixes, an aging couple who have not been able to conceive. This is important because if they have a child, Sir Walter (a relation of theirs) will not inherit their fortune, on which he has confidently depended, going so far as to live beyond his means. A maid tells the Kixes that Touchwood makes a special fertility potion; Touchwood deceives his way into the bed of Lady Kix. After an abortive attempt to elope with Touchwood Junior, Moll is guarded at home. The day before the wedding, Moll flees her parents' home again. Caught while attempting to cross the Thames, she is drenched and seems to fall sick upon being brought home. Touchwood Junior and Sir Walter fight in the street, and both are wounded. Sir Walter believes that he is near death. At Allwit's house, he repents all of his sins, condemning the Allwits for indulging him. When news is brought that Lady Kix is pregnant (thus ruining Sir Walter's prospects), the Allwits kick him out and plan to sell all Sir Walter's gifts and move to a home in The Strand. Moll continues to be very sick; when Touchwood Senior brings word that his brother has died, she faints and appears to die while Susan, her servant, is let in on a secret plan. Saddened, the Yellowhammers agree to Touchwood Senior's request that the young lovers receive a joint burial. At the funeral, Moll and Touchwood Junior rise from their coffins and the mourning turns to celebration. The two are wed, as Tim and the Welsh "niece" had been earlier that day; Kix promises to support the family of Touchwood Senior, who announces that Sir Walter has been imprisoned for debt. All exit, headed for a celebratory dinner.
