Kind Are Her Answers Jan 14 2022 Kit Anderson is married to Janet, a beautiful but narcissistic woman who seems more shallow to him as time goes by. Their relationship has become strained and cold. Immersing himself in his work as a doctor, Anderson takes consolation in his career. Then, one night he is called out to a dying patient, and meets Christie, who is taking care of her aunt. Warm and vivacious, Christie stands in stark contrast to Janet, providing the passion and intimacy that has been missing from his life. How long can their affair be kept secret and does Kit want what is best for Christie, or only for himself? In this assured, vivid novel, Mary Renault showcases the talents that would make her one of the twentieth century's most beloved novelists.

Fire from Heaven Sep 22 2022 'The Alexander Trilogy contains some of Renault's finest writing. Lyrical, wise, compelling: the novels are a wonderful imaginative feat - Sarah Waters Alexander the Great died at the age of thirty-

three, leaving behind an empire that stretched from Greece to India. Fire From Heaven tells the story of the years that shaped him. His mother, Olympias, and his father, King Philip of Macedon, fought each other for their son's loyalty, teaching Alexander politics and vengeance. His love for the youth Hephaestion taught him trust, while Aristotle's tutoring provoked his mind and fuelled his aspirations. Killing his first man in battle at the age of twelve and commanding Macedon's cavalry at eighteen, by the time his father is murdered, Alexander's skills have grown to match his fiery ambition. Books included in the VMC 40th anniversary series include: Frost in May by Antonia White; The Collected Stories of Grace Paley; Fire from Heaven by Mary Renault; The Magic Toyshop by Angela Carter; The Weather in the Streets by Rosamond Lehmann; Deep Water by Patricia Highsmith; The Return of the Soldier by Rebecca West; Their Eyes Were Watching God by Zora Neale Hurston; Heartburn by Nora Ephron; The Dud Avocado by Elaine Dundy; Memento Mori by Muriel Spark; A View of the Harbour by Elizabeth Taylor; and Faces in the Water by Janet Frame

The Logan Epic : New trajectories for innovation Jul 08 2021 Synonyme de sophistication, de haute technologie et de prix élevés, l'innovation cherche aujourd'hui ses ruptures dans des formes de valorisation de l'offre délaissées par la concurrence et l'accès à de nouveaux clients. L'épopée de la Logan constitue un archétype de ces nouvelles trajectoires de l'innovation et dessine de nouvelles frontières pour l'industrie. Pourquoi et comment une entreprise comme Renault s'est-elle lancée dans cette aventure ? Comment a-t-elle surmonté les surprises et les obstacles qui l'ont jalonnée pour devenir l'une des success story les plus spectaculaires de ce début du XXIe siècle ? Quelles sont les suites possibles d'un succès qui déstabilise le modèle de développement traditionnel des entreprises industrielles européennes ? Au terme d'une enquête approfondie dans les coulisses de Renault et Dacia, les trois auteurs, économistes et gestionnaires spécialistes de l'industrie automobile, apportent des réponses à ces questions. Ils analysent la réalisation de ce projet, sous l'angle de la conception du produit, du développement industriel et de son déploiement commercial. Au travers d'entretiens exclusifs avec la plupart des acteurs de ce projet, en particulier, les trois dirigeants qui ont joué un rôle clé dans l'histoire du projet Logan, Louis Schweitzer, Jean-Marie Hurtiger et Gérard Detourbet, découvrez les secrets de cette success story. Illustré de nombreux graphiques et de documents inédits, l'ouvrage montre comment la stratégie Logan a émergé et s'est développée dans l'entreprise, comment elle a su percevoir les tendances des marchés émergents, relever des défis de conception jugés impossibles (réaliser une « vraie » voiture rentable à 5000€), construire et déployer des systèmes industriels et commerciaux, dotant l'entreprise d'une dimension internationale inédite jusque-là. Dans le contexte actuel, cet ouvrage apporte, bien au-delà de l'industrie automobile, des réponses à tous ceux qui s'interrogent sur la déstabilisation actuelle des équilibres économiques mondiaux et le rôle qu'y jouent les processus d'innovation des entreprises.

The Friendly Young Ladies Jul 20 2022 Elsie, sheltered and naive, is seventeen and unhappy. Stifled by life with her bickering parents in a bleak Cornish village, she falls in love with the first presentable young man she meets - Peter, an ambitious London doctor. On his advice she runs away from home and goes to live with her sister Leonora, who escaped eight years earlier. But there are surprises in store for conventional Elsie as her sister has a rather bohemian lifestyle: not only does Leo live in a houseboat on the Thames where she writes Westerns for a living, she shares her boat - and her bed - with Helen. When Peter pays a visit, turning his attention from one 'friendly young lady' to the next, he disturbs the calm for each of them - with results unforeseen by all . . . Mary Renault wrote this delightfully provocative novel in 1943 partly in answer to the despair characteristic of Radclyffe Hall's *The Well of Loneliness*. The result is this witty and stylish social comedy.

The Bull from the Sea Jun 19 2022 'Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us' HILARY MANTEL 'Mary Renault's portraits of the ancient world are fierce, complex and eloquent, infused at every turn with her life-long passion for the Classics. Her characters live vividly both in their own time, and in ours' MADELINE MILLER The sequel to *The King Must Die*. The Bull from the Sea continues the story of the hero Theseus after his return from Crete. Having freed the city of Athens from the onerous tribute demanded by the ruler of Knossos - the sacrifice of noble youths and maidens to the appetite of the Labyrinth's monster - Theseus has returned home to find his father dead and himself the new king. But his adventures have only just begun: he still must confront the Amazons, capture their queen, Hippolyta, and face the tragic results of Phaedra's jealous rage. Piecing together the fragments of myth and using her deep understanding of

the cultures reflected in these legends, Mary Renault has constructed an enthralling narrative of a time when heroes battled monsters and gods strode the earth. 'There's much to say about her interweaving of myth and history and, just as interestingly, there's much to wonder at in the way she fills in the large dark spaces where we know next to nothing about the times she describes . . . an important and wonderful writer . . . she set a course into serious-minded, psychologically intense historical fiction that today seems more important than ever' Sam Jordison, Guardian
