This book offers a rare opportunity for teachers to benefit from the knowledge and experience of ten master teachers. In his or her own words, each contributor discusses the Suzuki philosophy and how it can best be put into practice. The subject is addressed in a

logical fashion, moving from the theoretical to the practical, with contributors' ideas set out so that readers will find a range of opinions on any particular aspect of the method grouped together. 10

*Teacher's Viewpoints on Suzuki Piano* covers issues of interest to all piano teachers, such as the importance of listening and review, supplementary repertoire, when to introduce reading, and how to bring out students' musicality. In addition, the contributors offer concrete ideas for developing technique and planning lessons. This companion volume to *Progressive Piano Method for Young Beginners Book 2* contains a carefully graded collection of 27 additional songs. Once again, all songs are cross-referenced to the method book 2. Includes matching CD. (Faber Piano Adventures ).

Written for ages 5 and 6, *My First Piano Adventure* captures the child's playful spirit. Fun-filled songs, rhythm games and technique activities develop beginning keyboard skills. Three distinguishing features of the Lesson Book A make it unique and effective for the young 5-6 year old beginner. 1. A strong focus on technique embedded in the book through playful technique games, chants, and carefully-composed pieces that gently lead the child into pianistic motions. 2. An outstanding CD for the young student to listen, sing, tap, and play along with at the piano. The orchestrated songs on the CD feature children singing the lyrics, which has great appeal to the 5-6 year old beginner. The CD becomes a ready-made practice partner that guides the student and parent for all the pieces and activities in the books. 3. The fanciful art features five multi-cultural children who are also learning to

play. These friends at the piano introduce basic rhythms, white key names, and a variety of white and black-key songs that span classical, folk, and blues. Young students will listen, sing, create, and play more musically with Nancy and Randall Faber's *My First Piano Adventure, Lesson Book A*. The Lesson Book introduces directional pre-reading, elementary music theory and technique with engaging songs, games, and creative discovery at the keyboard. Young students will enjoy the multi-cultural "friends at the piano" who introduce white-key names, basic rhythms, and a variety of songs which span classical, folk, and blues. Ear-training and eye-training are also part of the curriculum. The Fabers' instructional theory "ACE" - Analysis, Creativity, and Expression, guides the pedagogy of *My First Piano Adventure*. Analysis leads to understanding, creativity leads to self-discovery, and expression develops personal artistry. The CD for this book offers a unique listening experience with outstanding orchestrations and vocals. The recordings demonstrate a key principle of the course: when children listen, sing, tap, and move to their piano music, they play more musically.
