Concise Encyclopedia of Languages of the World is an authoritative single-volume reference resource comprehensively describing the major languages and language families of the world. It will provide full descriptions of the phonology, semantics, morphology, and syntax of the world's major languages, giving insights into their structure, history and development, sounds, meaning, structure, and language family, thereby both highlighting their diversity for comparative study, and contextualizing them according to their genetic relationships and regional distribution. Based on the highly acclaimed and award-winning Encyclopedia of Language and Linguistics, this volume will provide an edited collection of almost 400 articles throughout which a representative subset of the world's major languages are unfolded and explained in up-to-date terminology and authoritative interpretation, by the leading scholars in linguistics. In highlighting the diversity of the world's languages — from the thriving to the endangered and extinct — this work will be the first point of call to any language expert interested in this huge area. No other single volume will match the extent of language coverage or the authority of the contributors of Concise Encyclopedia of Languages of the World. * Extraordinary breadth of coverage: a comprehensive selection of just under 400 articles covering the world's major languages, language families, and classification structures, issues and disputes * Peerless quality: based on

20 years of academic development on two editions of the leading reference resource in linguistics, Encyclopedia of Language and Linguistics * Unique authorship: 350 of the world's leading experts brought together for one purpose * Exceptional editorial selection, review and validation process: Keith Brown and Sarah Ogilvie act as first-tier guarantors for article quality and coverage * Compact and affordable: one-volume format makes this suitable for personal study at any institution interested in areal, descriptive, or comparative language study - and at a fraction of the cost of the full encyclopedia Although globalization seems like a recent phenomenon linked to migration, some groups have used social networks to migrate great distances for centuries. To gain new insights into migration today, Modern Migrations takes a closer look at the historical presence of globalization and how it has organized migration and social networks. With a focus on the lives of Gujarati Indians in New York and London, this book explains migration patterns through different kinds of social networks and relations. Gujarati migration flows span four continents, across several centuries. Maritsa Poros reveals the inner workings of their social networks and how these networks relate to migration flows. Championing a relational view, she examines which kinds of ties result in dead-end jobs, and which, conversely, lead to economic mobility. In the process, she speaks to central debates in the field about the economic and cultural roots of migration's causes and its surprising consequences. Based on the partition of India in 1947. Creative English, has been put together. Two things were in mind during its preparation: · What do children enjoy while learning a language? Stories are based on children's interests and therefore hold their attention. For the first few classes, the lessons draw upon pupils' everyday experience, allowing links to be made between home and school. · What does a teacher need while teaching a language? The books are structured to meet the requirements of teachers across the board. Someone who has just started a career in teaching would find it stimulating enough to give his or her best. Others, with years of experience, could use it as a tool to carry forward all the good they have been doing. Goyal Brothers Prakashan The books will be prepared under

the able guidance of the well-known author and editor of several books. Format and scheme of all books will be the same as that of this book and each book will be prepared in close consultation with the topmost linguists of the language concerned. We hope, this series will bring together the people of various parts of our country promoting mutual understanding in fostering national unity.
